5. Current Projects List of 75 churches and schools in all 54 Presbyteries
6. For TOF I solicit funds and work groups to partner and work along side our PCEA partners
7. Last Year we had eight work groups, built 35 churches and 10 schools and other projects all under the direction of the Secretary General, PCEA.

What do we do in East Africa...

1. We build churches and schools, mainly girls' high schools - 80% of our work

What do we do in East Africa...

1. We build churches and schools, mainly girls' high schools - 80% of our work
2. We build rescue centers at the coast and Maasai Land

What do we do in East Africa...

1. We build churches and schools, mainly girls' high schools - 80% of our work
2. We build rescue centers at the coast and Maasai Land
3. Provide scholarships - mainly rescued girls and impoverished children

7. SO WE CAN BE THE GO-TO PEOPLE WHEN YOU NEED ASSISTANCE WITH ANY OF THESE!

11/29/2017

So, these are the projects we can build....we can build them totally for you or with your groups help!

Planning a Mission Trip Takes Almost One Year

1. Planning takes almost one year

Planning a Mission Trip Takes Almost One Year

1. Planning takes almost one year
2. Do you have an established partner already, if not what can you do, TOF can assist.

Planning a Mission Trip Takes Almost One Year

1. Planning takes almost one year
2. Do you have an established partner already, if not what can you do, TOF can assist.
3. Establish relationships before doing projects

Planning a Mission Trip Takes Almost One Year

1. Planning takes almost one year
2. Do you have an established partner already, if not what can you do, TOF can assist.
3. Establish relationships before doing projects
4. Projects decided and discussed between partners sealed with Covenant Agreement

Planning a Mission Trip Takes Almost One Year

1. Planning takes almost one year
2. Do you have an established partner already, if not what can you do, TOF can assist.
3. Establish relationships before doing projects
4. Projects decided and discussed between partners sealed with Covenant Agreement
5. All projects must have at least 50% input from the Kenyan partner

6. Decide how long you should come and what you will do? Low season is May/June and High season July/August/September. TOF can help here also. Costs double in high season.
7. TOF can do a complete in-country package for your group

Planning Takes Almost One Year

This is only a sample of the process...

1. October - Application process and evaluation of applicants
2. November – Organizational Meeting, review applicants, passports, immunizations, objectives of trip, team members known, dates
3. December – Team retreat
4. January/February - Team members read and discuss Short Term Mission Workbook by Dearborn, TOF come and answer questions discuss projects.
5. Draft team covenant and begin sharing testimonies. Trip down payment
6. March – Book flights, involve church in daily prayers, collect items for trip
7. April – Packing party, Congregational prayer and dedication of group
8. May – Trip to Kenya

Other Considerations

Mission Trips

1. Ideal size of your group is 7-8 people

Other Considerations

Mission Trips

1. Ideal size of your group is 7-8 people
2. Total trip length is about two weeks – 12 days on the ground in Kenya

Other Considerations

Mission Trips

1. Ideal size of your group is 7-8 people
2. Total trip length is about two weeks – 12 days on the ground in Kenya
3. Travel costs are approximately \$3000 including safari (safari fly package is about \$1000).

Other Considerations

Mission Trips

1. Ideal size of your group is 7-8 people
2. Total trip length is about two weeks – 12 days on the ground in Kenya
3. Travel costs are approximately \$3000 including safari (safari fly package is about \$1000).
4. Project costs through TOF is \$7500 for a church and \$7500 for two classrooms

1. Ideal size of your group is 7-8 people
2. Total trip length is about two weeks – 12 days on the ground in Kenya
3. Travel costs are approximately \$3000 including safari (safari fly package is about \$1000).
4. Project costs through TOF is \$7500 for a church and \$7500 for two classrooms.
5. TOF role is a “turnkey facilitator”

How can TOF help?

1. We can build any project for you, a church, a school, drill a borehole, anything...while remaining in the US. Or build a project and leave enough work for your team to complete when your group comes to Kenya.

How can TOF help?

1. We can build any project for you, a church, a school, drill a borehole, anything...while remaining in the US. Or build a project and leave enough work for your team to complete when your group comes to Kenya.
2. We can price out a project for you (BQ Bill of Quantities)...free service
